March 2026

Dear Friends,

Join us on **Saturday March 14, 2026** for the family event of the year – **Ye Greate Street, Live!** - our 24th year! You'll encounter live, silent, and "chance" auctions; *Bob's Garage* live music will entertain all ages; plus food, beverages, and baked goods.

Admission for the evening is \$10 per family, including one ticket per family for the door prize drawing. New in 2026 - classroom themed baskets will challenge the creative spirit of the students and will be auctioned. Everyone will find auction items to pique their interest and fit their budget, some especially for kids. *Please consider donating something for the auctions (gift cards, experiences, furniture, etc.).*

The Historic Greenwich Education Foundation asks for your support to sustain its work. For the 2025-26 school year the Morris Goodwin School added an additional preschool classroom. The HGEF is committed to helping subsidize this effort for the educational benefit of the children and community. It is only with your help that the HGEF will thrive and continue to provide extraordinary opportunities for the children in the Greenwich Stow Creek Regional School District.

Thank you in advance for your thoughtful participation, respectful quiet during the live music, and your generous support for this event.

Sincerely,

Helen Reinhart, President
